Holmes CC: What's the Vibe?

Tierney Evans

"My favorite thing about Holmes is the family I've made since I've been here," Gaskin said. "My favorite memory of Holmes so far is going to the first Connection! Performance. I would describe the vibe of Holmes as homey. It's a small campus so there's few people who you don't know."

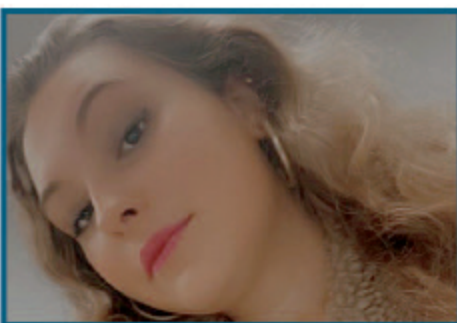

Katie Gaskin

"My favorite thing at Holmes is definitely the community," Evans said. "Everyone is always so helpful and nice. My favorite memory is definitely Homecoming 2023, specifically the tailgating and the activities in the Grove. Holmes is exactly what it's described as when we say, 'No Place Like Holmes.' The vibe at Holmes for me has always been homey or a safe-feeling place. I think it's because of the connection and how close a lot of the students are around here and that's at any campus!"

Emma Cotten

"My favorite thing about Holmes is all the new friends I made here," Cotten said. "My favorite memory from Holmes is watching the Connection! performance with my brother and then singing and dancing to the songs after. I would describe the vibe here at Holmes as always fun, never boring."

Abigail Lawrence

"My favorite thing about Holmes is how accessible everything on campus is," Lawrence said. "My favorite memory at Holmes is going to soccer games. The vibe at Holmes is like going home to your old friends."

Molly Adams

"My favorite thing about Holmes is the small community environment," Adams said. "No one feels like a stranger, and you can talk to any teacher about any situation and they will try to help you the most that they can! My favorite memory at Holmes is when I used to ride my scooter through the halls when I was younger. My grandparents who worked at the school would pick me up from daycare and take me back to the college every day! I would say the vibe at Holmes is very welcoming and gives you the home type feeling! Everyone is kind and understanding towards each other!"

Isaiah Wilson

"My favorite memory from Holmes was going to my Phi Theta Kappa Induction Ceremony," Wilson said. "The college's vibe here is very enigmatic. It is a beacon of knowledge in a small place."

Christian Edwards

"My favorite thing about Holmes is how easy it is to get to all the buildings in a timely manner whether you drive or walk," Edwards said. "My favorite memory has to be going to the Connection! performances. Holmes is perfect for people fresh out of high school. Nothing is overly difficult, but you are still being challenged intellectually in a way that high school wouldn't and it's also a great way to learn and get a taste of freedom and independence."

Alexandria Cyrus

"My favorite thing about Holmes is the community!" Cyrus said. "Even though everyone has their own lives and their own story, we are all here to help one another.

It's almost as if it's one big family! My favorite memories at Holmes would without a doubt be during my time as an Ambassador. I loved being able to meet new people and have fun with other students on campus! I learned so much and treasure all of those memories. The vibe at Holmes is super chill! That's one of the reasons I really enjoy it here. As a collective, everyone is nice to everyone! The instructors, as well as other staff, help to make being here as enjoyable as it is!"

Jasmine Luckett

"The vibe at Holmes is caring," Luckett said. "The teachers care about the students."

Willie Jones

"My favorite thing about Holmes is the simplicity of it," Jones said. "My favorite memory at Holmes is meeting people in the Student Union during the first week of school. I think that the vibe at Holmes is very expeditious, like a lot of work gets completed in a short time."

Jonathan

"My favorite thing about Holmes is the people. My favorite memory is my first visit on the campus. I would describe the vibe at Holmes as family-based."

Radleigh Woods

"The vibe of Holmes is to encourage students to want to learn and have fun while feeling welcomed and loved!" Woods said. "While I was a student on the Goodman and Grenada Campus, my favorite memory would be having the opportunity of being an Ambassador. Through this, I met so many amazing friends, and experienced several fun events like Homecoming and Major Experience. I also had the honor of giving prospective students a tour around campus. Another favorite memory of mine at Holmes-Grenada was going to the Baptist Student Union. I looked forward to this every Tuesday and it made my weeks so much better. My favorite thing would have to be all of the faculty and staff that have poured into me and encouraged me. They made college fun and made me want to come to school and be involved. They all are so helpful and would do anything to help the students."

Kaili-Symone Rankins

"My favorite things about Holmes is that the class capacity is small and the professors are nice and easy to work with," Rankins said. "My favorite memory from Holmes so far is when we played kickball. I would describe the vibe of Holmes as laid back."

Glenna Golliday

"My favorite memory that I have is when I was taking Intro to Business with Ms. Jennifer Brunson and we did an assignment where we talked about our business plans," Golliday said. "I was able to open up about my bakery business and now I am known for making good brownies. "My favorite thing about Holmes is the teachers, how helpful and understanding they are, and the students. I love how I've made a lot of friends who are all different ages. "

Campus News

It's a

Vibe

So many newsworthy things happened on Holmes' campuses this year! From the implementation of new programs to huge building renovations/additions, the college has experienced amazing growth!

President of Holmes CC

Dr. Jim Haffey

Dr. Jim Haffey became president of Holmes Community College in 2014, becoming the ninth president of the college. He came to Holmes in 2003, starting out as a workforce development coordinator and WIA director. The Ebenezer native then went on to serve as director of financial aid and vice president of the Grenada Campus before becoming president. At 37 years old, he became the youngest president in the Mississippi Community College system.

Dr. Haffey and his wife, Rae Anne, have two children: Hayley and Hudson. Rae Anne is a pharmacist and owner of Howell & Heggie Drug Company in Durant, which is also a local gift shop. Hayley is a Holmes graduate who is now working toward her bachelor's degree in biological sciences at Mississippi State University, and Hudson is a senior at Central Holmes Christian School.

Dr. Haffey enjoys hunting, golfing, snow skiing, traveling and supporting his Bulldogs, both at Holmes and Mississippi State University! He is also passionate about supporting causes that aid those in need.

Dr. Haffey has overseen Holmes through numerous exciting additions, accomplishments and honors during his presidency. During the 2023-24 school year, Holmes received three top-ranked awards by Intelligent.com. Specifically, Holmes was ranked #6 in Best Community Colleges in Mississippi, #8 in Cheapest Online Associate Degree Programs and #11 Best Online Paralegal Associate Degree. The college was also selected for an education partnership with Amazon's Career Choice program. Additionally, the Aspen Institute listed Holmes as one of the 150 institutions eligible to compete for the \$1 million Aspen Prize for Community College Excellence, the nation's signature recognition of high achievement and performance among two-year colleges. Holmes was selected from nearly 1,000 public two-year colleges nationwide as having high and improving levels of student success as well as equitable outcomes for Black and Hispanic students and those from lower-income background.

In addition, Dr. Haffey oversaw numerous renovations and updates across the district this school year, as well. Some of the most notable updates included the completion of the soccer field house in Ridgeland; the remodeling of the Corey Forum and deli in Grenada; new floors/paint in the main building hall in Grenada; dorm renovations in Goodman; visitor stands installed in the football stadium; LED lights installed on the baseball and softball fields; a new air conditioner being installed in Ridgeland Hall and new furniture for the Grenada recruiting center. Also, Bulldog Ranch began serving as a location for Holmes County 4-H Livestock Shows, as well.

Grenada Campus:

On the Holmes Grenada Campus, the main building hall, walls and doors were painted and ceramic flooring was installed; the Corey Forum and deli were remodeled with new fixtures and the recruiting center was relocated and upgraded with new furniture.

Ridgeland Campus:

On the Holmes Ridgeland Campus, the soccer field house was completed and a new air conditioner was installed in Ridgeland Hall. Additionally, construction began on a total remodel of the center of Ridgeland Hall. The project is projected to be completed in July prior to the start of the fall 2024 term.

Across the district, Holmes Community College has experienced growth, undergone facility improvements and made wonderful additions to enhance the institution.

Goodman Campus:

On the Holmes Goodman Campus, Bulldog Ranch is now being used for Holmes County 4-H Livestock Shows. Across campus, windows have been replaced in multiple facilities, including the Learning Resource Center, Administration Building, Medical Clinic Building and Yazoo Dorm.

Additionally, there have been multiple dorm renovations. In the Motel Dorm, the top floor was totally renovated, Cook Dorm was renovated with air conditioning in the bathrooms, Yazoo Dorm was renovated and had new windows installed and Grenada and Attala Dorms were updated. The remodel of the Math and Science Building has begun, as well, thanks to funds provided by the STEM

Humanities Teacher of the Year

Laura Canard

Laura Canard of Madison, division chair for the Holmes Community College History and Political Science Department, was selected as the 2023-24 Holmes Humanities Teacher of the Year. She delivered her scholarly presentation, "The Value of Knowing the Past," on Tuesday, Feb. 20, 2024, at 1:45 p.m. in the McGowan Workforce Training Building on the Ridgeland Campus. A reception followed the presentation in the lobby. The lecture was free and open to the public.

"This is a program conducted by the Mississippi Humanities Council, and we are honored to present this award to Laura," said Holmes Vice President for Academic Programs Dr. Jenny Bailey Jones.

In her presentation, 'The Value of Knowing the Past,' Canard discussed the importance of knowing history by highlighting different historical events and their importance in the world today as well as in people's personal lives. She pointed out some key components to elaborate on the value of history: history gives us context for our lives, history gives us a vision for the future, history gives us empathy for other cultures/people groups and history gives us the ability to understand ourselves.

Canard, who teaches in Ridgeland, has taught history and political science courses for Holmes for 13 years on both the Goodman and Ridgeland campuses. Additionally, she has served as a Phi Theta Kappa advisor for both the Kappa Alpha Chapter and the Alpha Lambda Sigma Chapter. From 2013-15, she was the Healthy at Holmes Coordinator on the Goodman Campus, as well. Canard attended Holmes from 1996-97 before transferring to Mississippi College. She earned both a Bachelor of Arts in History and a Master of Social Science in History and Political Science from Mississippi College. In addition, she was a student-athlete who played basketball at both Holmes and MC.

Canard has three children; Coleman (21), Cooper (18) and Mary Crawford (18). Coleman is employed at Holmes, as well.

In addition to presenting at Holmes, Canard will be recognized for this honor at the Mississippi Humanities Council's annual spring gala in Jackson.

Shelton Award

Dr. Bronwyn Presley Martin is the 2023 recipient of the Shelton Award.

"Having known the Sheltons, I am especially honored and humbled to receive this meaningful recognition from my peers," Dr. Martin said. "Mr. Paul is a precious man, and I have been blessed to get to know him and his family over the years. Watching him care for Mrs. McCrea with such love and adoration while she was ill was a beautiful testimony of God's grace and mercy."

Dr. Martin is a native of Pickens and the daughter of Ann Presley Brunson of Ridgeland and the late Dr. John Rhett Presley, Sr.

"Holmes has always been a part of my life," Dr. Martin said. "I grew up within a few miles from the Goodman Campus. Daddy played football at Holmes (#73, tackle) and loved sharing fond memories about his time at the college," Dr. Martin said.

While she was raised in Holmes County, Dr. Martin has now resided in Madison County for 17 years; she is proudly anchored to Holmes Community College's district.

"Living and working in our community provides me with a tremendous sense of understanding of our employee and consumer needs," Dr. Martin said.

Dr. Martin earned a B.A. in political science and a M.A. in higher education and student personnel from The University of Mississippi. After college, she started her career in higher education as a career planning specialist/instructor with The University Mississippi Career Center. In 2006, she joined the Holmes family as an ABE/GED instructor before transitioning into the role of workforce development coordinator where she served Madison County employers for seven years. Since 2014, she has served as director of marketing and recruiting, and she will soon begin the next chapter in her career. Effective July 1, 2024, she will act as the vice president of the Ridgeland Campus.

"I am excited about leveraging my network in Madison County to build and strengthen relationships with key constituents, policy makers and decision makers for Holmes' future growth and development," Dr. Martin said.

A milestone in her higher education journey was attaining her Doctor of Education (2022) from Delta State University. She is proud to have also invested her efforts in leadership development opportunities, including the Mississippi Community College Leadership Program, Leadership Madison County and the Community College Policy Fellows Program (CCFP). One of her most cherished recognitions was being recognized for the Phi Theta Kappa Distinguished College Administrator Award (2023) for working with student leaders to solve problems on campus and in our communities. Dr. Martin has been involved in numerous professional and civic organizations over the years such as American Advertising Federation, American Society of Training and Development, Capital Area Human Resource Association, Junior League of Jackson and Mississippi Association of Collegiate Registrars & Admissions Officers.

"Giving back to the community that has been part of my life and given so much to me is incredibly fulfilling," Dr. Martin said. "It is a blessing to help others succeed while strategically aligning my career path to promote progress in our communities. It has been an honor to pay it forward to prospective and current students, workforce trainees, graduates and community members by meeting their needs in different stages of my career. As a firm believer in God's word, Proverbs 16:3 tells us to, 'Commit your work to the Lord and your plans will succeed.'"

Dr. Martin resides in Madison, is married to Brandon, and has two children, Presley (16) and Hudson (12). She is a member of Madison Methodist Church. When she is not working or at one of the children's sporting events, she is often found patronizing OrangeTheory Fitness or working in her yard.

Distinguished Educator

Darleen Dozier was named a Distinguished Educator.

Darleen Taylor Dozier, the Holmes Community College program coordinator/instructor for Paralegal Technology, was named the 2023 Distinguished Educator by the National Association for Legal Support Professionals (NALS). Dozier has worked on the Holmes Ridgeland Campus for 15 years.

She holds a Master of Social Sciences degree in history/political science/criminal law from Mississippi College and a Bachelor of Science in paralegal studies from The University of Southern Mississippi. In addition to NALS, Dozier is a member of NALA: The Paralegal Association and the Jackson Legal Professional Association (JLPA).

Dozier holds the Advanced Certified Paralegal (ACP) through NALA and the Accredited Legal Professional (ALP) through NALS. Additionally, she was president of the Metro Legal Professional Association from 2017 - 2021, president of the Mississippi Paralegal Association President in 2013 and received the Pro Bono Award from the Mississippi Paralegal Association in 2007.

The Paralegal Technology program at Holmes is designed to assist students with developing the skills needed to become entry-level paralegals and legal assistants in state and federal government, law firms and corporations. Paralegal classes are offered during the day in face-to-face and hybrid format as well as online.

Students can earn a Technical Certificate, an Advanced Technical Certificate and an Associate of Applied Science Degree at different points in the curriculum. The curriculum is based on standards developed from the National Association of Legal Assistants' Descriptions of Certified Paralegal (CP) Exam Sections, as well as the National Association of Legal Secretaries/Assistant's Accredited Legal Professional (ALP) Exam Sections. Students are prepared to take either national exam upon completion of the program.

"Darleen is very deserving of this honor," said Career Tech Coordinator Allison DeWeese. "I know her students would agree with me!"

New Soccer Field House Ribbon Cutting

Coaches, administrators and the Lady Bulldogs soccer team gather for the ribbon cutting for the new soccer field house on Nov. 7 in Ridgeland.

The new Holmes Community College soccer field house was completed and the college held a ribbon cutting on Nov. 7 to unveil the facility on the Ridgeland Campus.

The field house is 5,923 square feet and features locker and team rooms for both men's and women's soccer, coaches offices, laundry rooms and storage as well as restrooms and concessions for use on gamedays on the Ridgeland Campus.

The locker rooms are 464 square foot each and have 33 lockers with accompanying showers and restrooms while the team rooms are 582 square foot each and have seating for 33 people.

Each team room will have audio/visual equipment for the players to watch film. JH&H Architects of Flowood were the architects for the project while England Enterprises, Inc. of Vaughan constructed the facility.

"It has been a five-year process, and I am glad to see it before Matt,

Don and I retire," Holmes Athletic Director Andy Wood said. "I appreciate Dr. Haffey and Sonny allocating the money for the soccer teams."

"We are extremely thankful to Dr. Haffey, Dr. Burnham, Andy Wood and all of our administration that made this happen," Head Women's Coach Wesley Noble said. "This is a huge blessing to our program and it is great to work for an administration that backs the program in such ways. Their generosity never goes unnoticed."

Holmes' Ridgeland Campus Vice President Dr. Don Burnham echoed their sentiments.

"I am extremely excited to see this project come to fruition," Dr. Burnham said. "We have certainly needed the facility for some time. Also, I am extremely grateful that the Holmes Community College Board of Trustees and Dr. Haffey saw the need for the facility. When Dr. Haffey told us a few years ago to begin work on the project, we were beyond elated. To now see the culmination of that effort is

beyond words."

Not only will the facility serve current student athletes but will be beneficial in recruiting future soccer players to the college.

"I think it will help us recruit better players because it shows how important soccer is to us here at Holmes Community College," Wood said.

"It will be a major component for our program, giving the girls a place that is truly theirs," Noble said. "We are in a very competitive league and having a first-class facility gives us another tool to continue to strive to be at the top of the MACCC."

"Previously, we had no facility for our players to use or to show recruits and certainly competing coaches could and would use that to their advantage," Dr. Burnham said. "We now have a facility that is second to none, and our players can see and be part of it. This lets them know that they are supported by the college in a manner that is equal to or greater than competing schools support their soccer programs."

Enhancing the gameday experience with restrooms and concessions nearby was important.

"I think these facilities will help make our game day experience more exciting and convenient for our fans," Wood said. "Having bathrooms on this side of the parking lot is really important. Also, having a concession stand area allows the fans to be able get refreshments at the game instead of bringing their own snacks and drinks with them."

"It pulls everything together, from a fan standpoint of convenience as well as for the players," Noble said. "Everything we need for a gameday is all in one place now. We couldn't be more excited!"

"This facility completely changes the gameday experience for our players who now have locker room facilities on site," Dr. Burnham said. "This provides them a place to prepare for their matches as a team in the appropriate environment for the competition. Second, fans and players now have facilities to use that do not require them to walk to other campus buildings or leave campus, which will be a very welcome addition for all of us. It is a gameday changer for us."

Students, faculty, staff, alumni along with current/former players were invited to the ribbon cutting.

Lady Bulldogs (left to right) Carmen Mason, Lillian Harvey, Grace Mason, Karly Murphy and Jordan Bertschler stop for a photo inside the new field house on the day of the ribbon cutting.

The new field house on the Holmes Community College Ridgeland Campus will be a great recruiting tool and a huge bonus to the gameday experience.

Holmes hosts first-ever statewide EMS Memorial Service

Pictured are (left to right) Mississippi House of Representatives District 108 Stacey Hobgood Wilkes, Director of the Bureau of EMS David Hall, Holmes EMS Program Director Mark Galtelli, Gov. Tate Reeves and Mississippi State Health Officer Dr. Daniel Edney.

Holmes Community College hosted Mississippi's first statewide memorial service for fallen EMTs, paramedics and other Emergency Medical Services professionals on May 25.

The event, held in the McGowan Center on the Ridgeland Campus, recognized 132 emergency medical caregivers in the state who have died due to illness or injury suffered in the line of duty (or in close association to duty) over the past 49 years. The memorial was held in conjunction with National EMS Week which President Gerald Ford authorized in 1974. Holmes EMS Program Director Mark Galtelli kicked off the service with a welcome.

"As we begin, let us be reminded that we come together today with heavy hearts, but also with deep gratitude," Galtelli said. "We are here to remember and celebrate the lives of those who have made the ultimate sacrifice in service to others."

Next, there was a procession that included the Posting of the Colors by the American Medical Response of Central Mississippi EMS Honor Guard.

"As I look out over the audience, I see the brave men and women who represent many EMS agencies," Galtelli said. "But we all work together to ensure the health and safety of our communities across this great state. This is EMS Week; a week dedicated to appreciating the service that we provide to the community. As we sit here this morning, we may reminisce about the many hours that we sat in the front of an ambulance waiting on the next call. Or when some of you sat together after a call, consoling each other over the traumatic events you just witnessed as part of our service to the community. We have held each other close in our greatest time of need because we chose to do the work of caring for others in their greatest time of need. Today we honor the lives of those people we have lost."

AMR paramedic Eric Phillips then took the podium to explain the significance of the Table of Honor which was set up as part of the service. Each element had a special meaning, down to the white tablecloth symbolizing the purity of EMS professionals intentions to respond to the needs of others. AMR paramedic Stella McNeer followed Phillips with an opening prayer before Director of the Bureau of Emergency Medical Services David Hall gave his remarks.

"It's important to honor EMS providers," Hall said. "Their service has had important implications for improving healthcare in our state. They have provided a truly essential service for our communities, our friends and our families. EMS providers answer a call to service. Those who have answered the call to EMS have done great things for our state."

Mississippi State Health Officer Dr. Daniel Edney followed Hall's remarks with a few words of his own about EMS professionals.

"When we're talking about life and death, minutes matter; ya'll understand that more than anyone," Dr. Edney said. "Unfortunately, those precious minutes that we as physicians and healthcare providers at the hospital desperately need to achieve good outcomes often times come with a very high price. From the things our EMS professionals have to see on the side of the highways, to what they have to work with in those moments that sometimes put them in personal danger, it is a high price for them to pay. I want to thank those who continue to serve and express gratitude for those who have paid the ultimate price in the line of duty. No words I could say would rise to the occasion, but I know God has said those perfect words to them, 'Well done, good and faithful servant.'"

Governor Tate Reeves took the podium next to give the key note address.

"Today we gather to recognize those who have paid the ultimate price while serving in the line of duty as EMS professionals," Gov. Reeves said. "Since 1974, we've tragically lost 132 courageous individuals right here in Mississippi. While they might not be physically with us here today, I believe in my heart that they are here in spirit. They will never be forgotten. They came from many different backgrounds and parts of our state, but they are united by one common factor: their tremendous courage."

After asking everyone to take a moment of silence followed by a prayer, the governor continued to express his gratitude for EMS personnel.

"EMS professionals serve their communities with honor," Gov. Reeves said. "They stand on the front line protecting our lives. They get up, they put on their uniform and they go out into the world, never quite sure of exactly what they will be facing. Thank you for making our state a safer place. It's the perfect time to remember these great public servants and all the work that you and all of those who have come before you do every single day. The theme for EMS Week this year is 'EMS: Where Emergency Care Begins' and to me that really sums it up quite well. You are the first step of emergency care. When a crisis arrives, you are the ones that lay the foundation for the quality of care."

"We recognize that you tirelessly serve the public," Gov. Reeves said. "I just want to reiterate how much I appreciate Holmes for opening this wonderful facility as well as each and every one of you for joining us. We all know that this is the first statewide EMS memorial service that has ever been hosted in Mississippi. I'm so grateful that you gave me the opportunity to play a very small role in recognizing the service and sacrifice of so many. May we forever remember those 132 individuals and honor their legacy not just today, but every day. May we continue to pray to God to watch out for every one of you as you continue to serve."

Following the governor's address, Linda Ming spoke as a family representative on behalf of the EMS Memorial Committee. She is the wife

Several ambulance services and fire-rescue departments drove patient care vehicles to the service, and staff members with AirCare, the medical helicopter service at UMMC, flew a helicopter to the event.

of fallen AMR paramedic James Doug Ming.

"EMS professionals are one-of-a-kind," Ming said. "I'm a teacher and we call EMS professionals community helpers, but community heroes is a better description. Hero is a word that sometimes gets thrown around a lot, but in EMS, it is the absolute truth. All the names recognized today, they were more than just EMTs and paramedics. They were someone's spouse, their parent, their sibling or their child. We honor all of these precious souls who were servants, helpers and heroes in our state. I want to make sure these heroes who gave their lives helping others have a permanent memorial in our state dedicated to them. Today, I urge our lawmakers to enact legislation that will provide some funding for this memorial because it is time to honor and remember these heroes."

The service concluded with a solemn recessional by the Honor Guard. The memorial event was organized by a group of volunteers, including Holmes EMS instructor Sandra Hultz.

"Our group felt that an annual state-level remembrance was needed in addition to the annual ceremony in Washington, D.C.," Hultz said. "Today we took a major step toward that goal. The EMS personnel who we honored gave their all to help others."

Student Honors

It's a

Vibe

Holmes is proud to celebrate our students' achievements. They work hard to earn their grades, acquire leadership roles, obtain membership into special organizations and excel in their chosen areas.

Hall of Fame

Brooke Barron, daughter of Molly Staley and Chris Barron, is a radiologic sciences major. She is also a Holmes Ambassador and a member of Rotoract Club. She volunteered at Mission First for Rotoract Club, as well. Upon graduation from Holmes, she plans to attend the University of Mississippi Medical Center's radiologic technologist program, and after that go on to specialize in ultrasounds.

"I have loved my time Holmes but I am excited for my next chapter!" Barron said.

Colin Crosby, son of Brandi and Stacy Crosby, is a mechanical engineering major. He is a President's List Scholar, Phi Theta Kappa vice president, an Ambassador, Rotaract member and calculus tutor. He served as an escort for the 2023 Homecoming Court, as well. Additionally, Crosby is employed as a part-time barista at Mocha Mugs Coffee Shop and serves as a mentor for middle and high school students at Colonial Heights Baptist Church. He plans to attend Mississippi State University where he will pursue a B.S. in mechanical engineering. He also plans to pursue a master's in automotive engineering.

"I want to design cars and make them greener without compromising the enjoyment of driving a fast, gas-powered car," Crosby said. "Everything I do is ultimately to glorify God. If the Lord allows me to be financially stable enough to do this, I want to open a repair shop out of my house to provide free labor and car repairs to families who can't afford repairs themselves. This will allow me to make personal connections with people and help their physical needs so I can try to help their spiritual needs too."

Cedravious Davis, son of Trenina Davis, is an art major who loves to draw and design various things. He is a member of Phi Theta Kappa and has been on the Dean's List both years at Holmes. Davis has also volunteered for and donated to the Stewpot nonprofit organization. Upon finishing his time at Holmes, he plans to attend Mississippi State University to further his education in business marketing. Davis recently established a baking business, Ceds Creationz, LLC.

"I have been baking for years so being able to do that was such a huge accomplishment for me!" Davis said. "Although I do have my own business, my ultimate goal is to be an established creative director so that's what I am working towards. I would love to work in the entertainment industry."

Ridgeland Campus

Tori Dew, daughter of Delsey and Andy Dew, is a kinesiology major. She is a member of Phi Theta Kappa and has participated in trying to expand the Baptist Student Union chapter on the Ridgeland Campus. Dew works part-time at a daycare where she takes care of two year olds. She also volunteers at her church with community/church projects, is a member of her church's praise team and serves at the Ministry Center every other Sunday, which is a ministry that provides food and clothing to families in need. As a freshmen, Dew worked full-time at Panera Bread in Ridgeland.

"After Holmes, I will continue my education at Mississippi State University to obtain my bachelor's degree in kinesiology," Dew said. "Following that, I plan on attending University of Mississippi Medical Center to earn my Doctorate of Occupational Therapy."

Social & Behavioral Honors Class

The Social and Behavioral Science Honors program on the Holmes Community College Goodman Campus is a competitive entry program. Students submit applications for review and only a limited number are offered entrance each spring semester. The students are placed in groups based on their discipline and each group is given a real-life case vignette to evaluate and decide on psychiatric diagnosis, medication regimen and overall treatment recommendations. This program is the only one offered in the Southern portion of the country that allows entrance to students who are not majoring in psychology, sociology or social work. If a student has an interest and is willing to fully participate in their group vignette they are welcome to apply. The faculty director of the program is Rhonda Jefcoat who was the co-writer of the program formatting along with Dr. Jacqueline Bell, former psychology instructor at Goodman.

Pinnings & Graduation Celebrations

Congratulations are in order!

Over the course of the school year, many of Holmes Community College's programs held special ceremonies to celebrate the graduates. Associate Degree Nursing (ADN) programs, Practical Nursing programs, Surgical Technology, Physical Therapist Assistant (PTA), Occupational Therapy Assistant (OTA), Massage Therapy and Paramedic/Emergency Medical Sciences programs across the district all hold their own events, just to name a few. Additionally, Adult Education holds their own graduation ceremony, as well.

Graduation '23

Holmes Community College held its 95th Commencement Ceremony on May 11 in Frank Branch Coliseum on the Goodman Campus. The Goodman Campus, Grenada Campus and Attala Center ceremony was held at 10 a.m. and the Ridgeland Campus and Yazoo Center graduates had a ceremony at 2 p.m.

Each ceremony began with a faculty and administration processional. Robert Ethan Lindsay served as the macebearer for the first ceremony and Charlotte Lamar carried the mace for the second one. Following the processional, a video produced by the Holmes Marketing Department was shown that highlighted the major events/campus life for the 2022-2023 school year.

Goodman Campus Phi Theta Kappa member Meredith Dean gave the invocation during the first ceremony and Ridgeland Campus Phi Theta Kappa member Kayla Mangum gave it during the second one. Vice President for Academic Programs Dr. Jenny Bailey Jones and Vice President for Career Technical Education Dr. Amy Whittington followed the invocation with a welcome and a few inspiring remarks.

Holmes President Dr. Jim Haffey then stepped forward to present special awards/recognitions. The awards given were the M.C. McDaniel Scholarship Award and the Outstanding Phi Theta Kappa Award. The M.C. McDaniel family established this scholarship to be presented to outstanding graduating sophomores who plan to further their education at an institution of higher learning.

Jonathan Chase Langford was the M.C. McDaniel Scholarship recipient for the Goodman Campus; Hope Avery, for Grenada and Garrett Michael Viator for Ridgeland.

For the Outstanding Phi Theta Kappa awards, Lacey Greenlee was the

STEMMY'S

Grenada Campus STEM Awards

The faculty in the Division of Science, Technology, Engineering and Mathematics (STEM) on the Holmes Community College Grenada Campus honored a small group of students who have shown high achievement in STEM courses. The STEMMY was presented to students who were enrolled or have completed at least two face-to-face STEM classes since enrolled at Holmes.

Students who received this prestigious award earned a 3.0 or higher STEM GPA by the end of the semester. Each recipient was nominated by at least one of their STEM instructors. Instead of a formal ceremony, the STEMMY was awarded in a grab-and-go ceremony that was intended to cater to the commuter students.

Carols of Christmas

Holmes Community College's musical ensembles got faculty, staff, students, alumni and community members in the Christmas spirit with Carols of Christmas 2023 on Thursday, Nov. 30. Held in McDaniel Hall on the Goodman Campus, the concert featured a variety of Christmas music in all different genres performed by the Chorale, Coachmen singers and Holmes Connection!

The musical ensembles present two major campus concerts each year - Carols of Christmas, and a high-energy Spring Pops Concert in late April or early May. During the spring semester of each year, Chorale performs at the State Community College & Junior College Choral Festival. When possible, the groups also perform at district, community and campus events upon request, including Homecoming each year. Drew Trautman directs Chorale, Mike Yates directs Connection! and both Trautman and Yates direct the Coachmen Singers.

Years of Service Recognition

On Tuesday, Aug. 7, Holmes Community College celebrated the upcoming school year with an Opening Convocation on the Goodman Campus. As part of the event, Holmes President Dr. Jim Haffey recognized employees who have reached five, 10, 15, 20 and 25 years of service with the college.

Opening Convocation

On Aug. 7, Holmes Community College held the annual Opening Convocation in Frank Branch Coliseum on the Goodman Campus. The day began with a breakfast social, complete with specialty coffee/breakfast drinks from The Sip. Once gathered in the coliseum, Holmes President Dr. Jim Haffey gave an address on the state of the college, introduced new employees and recognized employees who have reached milestone years of service with the college. Faculty, staff and administration also enjoyed a motivational speech/presentation by Daniel Vassel from The Vassel Consulting Group before breaking for lunch and departmental meetings.

Giving Back

Community Service

Across the district, Holmes Community College faculty, staff and students often take time out of their busy schedules to serve those in need in the local communities. This helps the Holmes students learn to be good citizens as they put their talents, skills, knowledge and abilities to use.

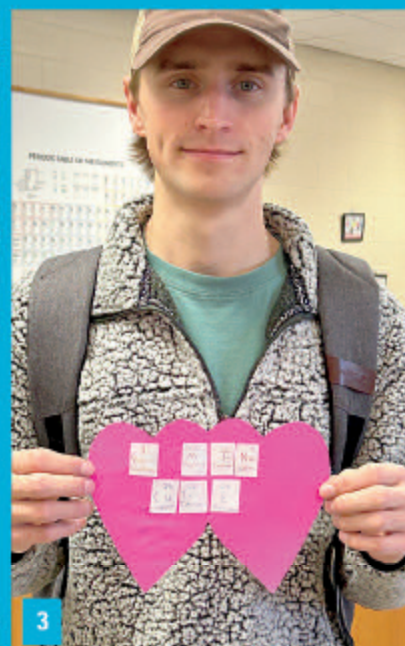

The Holmes Associate Degree Nursing Program-Grenada Campus donated an AED to one of the local grocery stores in downtown Grenada, Spains. The ADN students worked diligently to raise funds to purchase the AED. On March 5, they presented the AED, trained employees on how to use it and to do CPR. They also provided blood pressure checks to customers. Pictured are nursing students (left to right) Alyssa King, Harold McClain, Michael Gilliland and Mark McClain.

1. The Ridgeland Campus Practical Nursing students and their instructors volunteered at the 2023 Scarecrow Cruise and Carshow held Oct. 20 and 21 in Madison. The students took community members' blood pressure during the two-day event. The net proceeds from the event are contributed to Mississippi SIDS and Infant Safety Alliance and Hope Hollow Ministries.

2. Ridgeland ADN students participated in the Jackson Senior Health Fair at the Convention Center on Oct. 19. The is a free community event, designed to encourage healthy lifestyles, prevent and manage disease and connect seniors to resources.

3. Dr. Kristy McClain's chemistry class in Grenada made fun Valentine's Day cards utilizing the periodic table. The cards were delivered to patients at a local hospital. Pictured is Brandon Williams with his card.

Ridgeland ADN students, in conjunction with the organization Beams of Hope, participated in a community service project at a local nursing home. Beams of Hope is a grassroots organization that is committed to shining light on the need for quality healthcare and enhanced well-being for the aging and elderly. Students in healthcare-related schools connect with the elderly in varying settings to make friendship bracelets together. The elderly can then share the bracelets with loved ones or keep the bracelets for themselves as a reminder that they are not alone. Beams of Hope was founded by ADN instructors Kim Manning, Dr. Tiffany Cox and Virginia Hart.

(top) Dr. Teresa Mackey poses with the truck she had set up for donations. She encouraged Holmes faculty, staff and students to bring canned goods to campus to "Load the Truck" for MadCAAP, Madison Countians Allied Against Poverty. This canned food drive was held right before Thanksgiving.

Homecoming 2023

On Oct. 26, Holmes Community College hosted its annual Homecoming celebration on the Goodman Campus. The Homecoming Court was presented and Mary Patton Henderson was crowned 2023 Homecoming Queen at halftime. Holmes President Dr. Jim Haffey crowned the queen, Alumni Association President Jacob Black presented her robe and 2022 Homecoming Queen Abigail Edge presented her flowers. Henderson was escorted by Ethan Wood. Prior to the Homecoming Court presentation, the Holmes Marching Band, directed by Terry Miller and Justin Craft, performed on the field.

This year's football game against Northwest Mississippi Community College kicked off at 3 p.m. and the final score was 36-28, with NWCC taking the win. Prior to kick-off, the Chorale sang the national anthem and the 2023 Homecoming Honorees were recognized on the field. Homecoming festivities kicked off with a Visual Arts Display in the McMorrough Library and a baseball and softball highlight. Academic Programs and Career-Technical Education hosted a Career and Transfer Fair in the Grove and at the same time, Workforce Development hosted "Major's Truck Expo" with all of the big industry vehicles on display. The honorees were recognized in McDaniel Auditorium at 10 a.m. followed by the debut performance from Connection! and Coachmen.

Other mid-day activities included food trucks, fun and games in the Grove accompanied with live music by the Holmes Jazz Band. At noon, the Chorale performed a variety of their music in the Chapel on the Hill. Faculty, staff, students, alumni and guests also enjoyed tailgating, a pep rally and live music prior to kick-off.

2023 Holmes Honorees

Pictured are Holmes Honorees 2023, who were honored during Homecoming on Oct. 26 in Goodman during a ceremony in McDaniel Auditorium and on the field prior to kick-off. They are (left to right) Azzie Winston, Special Recognition Honoree; Gregory Neal Holloway, Young Alumnus of the Year; Jackie McKinney, Distinguished Service Award Recipient and Maggie Garrett, Alumna of the Year. Not pictured: Dr. Samuel O. Massey, Jr., Veteran of the Year, who was unable to attend Homecoming 2023.

Maggie McCrory Garrett, Alumna of the Year

Maggie Garrett of Goodman ('57) was honored as the 2023 Holmes Alumna of the Year, which is among one of the college's highest alumni honors. Garrett serves on the Holmes Development Foundation Board of Governors and is a member of the Holmes Legacy Club.

Garrett was awarded this honor during a presentation in McDaniel Hall Auditorium on Oct. 26, 2023. The presentation was part of Holmes' Homecoming festivities and Garrett was also recognized on the field prior to the game against Northwest Community College.

Holmes was a natural fit for Garrett since it was just across the Big Black River in Goodman where she grew up. While attending Holmes, she was active in choir, the Wesley Foundation and was elected Sophomore Class Favorite and Mardi Gras Favorite.

After Holmes, Garrett attended Delta State where she earned a B.A. in English and French. She furthered her studies at the University of

Southern Mississippi, Mississippi State University, The University of Mississippi and The Sorbonne in Paris, France.

Garrett is a retired teacher from the Mississippi school system. She starting her teaching career in Biloxi then continued teaching for Cheyenne High School in Wyoming. Garrett returned back to Mississippi to teach at Central Holmes Christian School and then finished with the Kosciusko School District. Beyond her retirement she taught for the U.S. Federal Prison in Yazoo City. Garrett is a woman of many talents; she's a talented musician, quilter, avid reader/author and gardener, but most of all, Garrett is an accomplished artist and her talent began at Holmes. Garrett has been chosen by the Mississippi Museum of Art to have some of her paintings hung in the museum. The Garrett collection of paintings can be found in businesses and homes across the country.

Some might even have met Garrett on their travels to Kosciusko as she was a longtime owner of the Red Bud Inn. The Red Bud inspired a book called "A Taste of the Red Bud," which was a collection of

recipes from the bed and breakfast. The book has sold throughout the United States. Though Garrett has called Attala County home for most of her life, Red Lodge, Montana, holds a special place in her heart. That is where she lived after her late husband, Tom, passed away. Garrett moved back to her Mississippi farm, known as Seneasha Farms, with her family in 2014. She and her late husband Tom have four sons: Bobby (deceased), Tommy (60), Todd (deceased) and Scott (54). Garrett has eight grandchildren and one great-grandson whom she enjoys watching grow up.

Gregory Neal Holloway, Young Alumnus of the Year

Gregory Neal Holloway of Byram ('03) was honored as the 2023 Holmes Young Alumnus of the Year. A graduate of Terry High School, Holloway played soccer on the Holmes Ridgeland Campus during the 2002-2003 season.

"The team experience at Holmes was the most memorable part for me," Holloway said.

When Holloway played at Holmes, the soccer program was very young; it was only in its seventh year. The team only had two sophomores and one of them was Holloway. He played under Coach Matt Convertino at Holmes and the team finished the year with more wins than the last four seasons combined.

"I don't think I could be prouder," Coach Convertino said. "Even though the team consisted of almost entirely freshman, the players were willing to buy into the playing philosophy that I was selling from day one."

Holloway continued on to Mississippi College (MC) to earn a bachelor's degree in accounting. His first job after MC was with Harrold Contracting, a general contracting firm in Florida, on their estimate and bidding team. Later, he moved up to their program management team building high rise condominiums. After working with Harrold Contracting Group, he became a partner with a company called TenaxAerospace, LLC. Tenax was a special mission leasing company for aircrafts that leased aircrafts to different government entities. In January 2018, Tenax Aerospace was sold to another investment firm in Connecticut.

While a principal at Tenax Aerospace, Holloway shaped the company's strategic direction and growth. This gave him the foundation of where he is today with investment groups, to actively be involved in investment opportunities across multiple markets such as real estate, veterinary medicine, healthcare and oil and gas industries.

"Holmes prepared me to take on a challenge," Holloway said.

Holloway and his wife, Traci, live in Madison with their two children, Cruz (8) and Mattie Grace (5). He also serves on a board for a non-profit foundation.

2023 Holmes Honorees

Jackie McKinney was named Holmes' Distinguished Service Award Recipient.

Jackie McKinney, Distinguished Service Award Recipient

Jackie McKinney is the 2023 Holmes Distinguished Service Award Recipient. Holmes Alumni Association presents this deserving award to a committed individual who shows dedicated service to the college.

McKinney is a native of Vaiden and a graduate of Vaiden High School. She was a Dean's List Scholar at the University of Memphis, and served in the military for 10 years after high school. McKinney served as an educator for several years, as well.

McKinney helps provide opportunities for youth in Carroll County to be successful. She is now a social activist for youth in rural areas and an ordained minister.

"Holmes is only 30 miles from Vaiden and has been a good fit for helping youth from rural areas," McKinney said.

In order to help provide opportunities for youth in Carroll County, McKinney established the Redeemer's Scholarship to aid African American residents of Vaiden who have a financial need. The scholarship is given to two students (one male and one female) who are pursuing associates degree (AA).

McKinney still resides in Vaiden. She has one son and three grandchildren.

Dr. Samuel O. Massey, Jr., Veteran of the Year

Dr. Samuel O. Massey, Jr., ('53) was named Holmes' Veteran of the Year. He was unable to attend Homecoming 2023, but was honored during the ceremony in McDaniel Auditorium.

Upon graduating from Pelahatchie High School at 16, Dr. Massey moved to San Antonio, Texas, to enter the enlisted ranks. One month later, he became a charter member of the U.S. Air Force. He served with a B-29 bomber group in Spokane, Washington, for six months before completing a tour of duty in the Panama Canal Zone and a longer tour at the Ramey Air Force Base (AFB) in Puerto Rico during the start of the Korean War.

After being discharged from the Air Force, Dr. Massey went straight to Goodman where he entered Holmes Junior College and earned his degree in mathematics and science. He was named Most Intellectual, president of student body, president of the YMCA and president of the Baptist Training Union. Following graduation from Holmes in 1953, Dr. Massey earned his medical degree from University of Tennessee College of Medicine in 1956. After 12 years of working in a medicine and surgery practice in Picayune, he entered Tulane Medical School to specialize in otolaryngology and head and neck surgery. He received board certification in otolaryngology, cosmetic/plastic surgery and

facial plastics and reconstructive surgery.

Upon finishing his training at Tulane, Dr. Massey opened his own practice in Oak Ridge, Tennessee, while simultaneously joining the Tennessee Air National Guard, where he was promoted to colonel and clinic commander in 1980. During this time, he completed the professional military education courses of Air Command and Staff College, Air War College and the National Defense University. Just as Dr. Massey was on the brink of retirement, the AF offered him the positions Chief of ENT and Chief of Surgery at Eglin AFB in Valparaiso, Florida, and he accepted. After completing his four-year contract with Eglin, he returned to San Antonio to serve as Chairman of the Department of Otolaryngology for Wilford Hall Medical Center.

Dr. Massey created the Massey Medical Scholarship through the Mobile Medical Mission Hospital, Inc. in 1990 and touched the lives of 70 recipients by providing funding for these students to continue their education in a medical field of their choice. In 1993, he was honored with The Excalibur Award as the Air Force's Outstanding Clinical Surgeon and in 1994, was chosen as the National Recipient for the Annual Humanitarian Award by the Academy of Otolaryngology.

Following his stint at Wilford Hall, Dr. Massey was selected as Commander of the Air Transportable Hospital in Cuba to work with the 45,000 Cuban and 15,000 Haitian boat people. He returned to Cuba twice more as a volunteer professor of surgery. Dr. Massey returned to Eglin AFB as a flight surgeon and over the tenure of his last 12 years of duty, held teaching positions at Tulane, University of Mississippi, University of Texas, U.S. School of Clinical Sciences Medical Schools and Army Schools of Aerospace Medicine. He is on the editorial review board for the Aviation, Space, and Environmental Medicine Journal and served on the Space Shuttle Medical Launch and Recovery Team.

Dr. Massey reflected on three of his instructors while at Holmes — Mrs. Frank Branch, G.J. Everett and John P. Mitchell.

"I owe my career and life to Holmes Junior College," Dr. Massey said. "I am eternally grateful to you for that."

Dr. Massey, now retired, is a full-time medical mission volunteer, and said he will go "any place, anywhere, anytime," to help those in need. He and his wife, Jamie, reside in Ridgeland and have six children, 16 grandchildren and multiplying great grandchildren. The Auditorium in the Science and Mathematics Building on the Goodman Campus is named in his honor.

Azzie Winston, Special Recognition

Azzie Winston, a native of Lexington, was recognized for her hard work and dedication at Holmes Community College for over 30 years in Carroll Cafeteria. She was recognized in a special ceremony alongside the other Homecoming Honorees held in McDaniel Auditorium during the Homecoming festivities on Oct. 26.

Winston might be an employee of Aladdin but she has been the foundation of the Carroll Cafeteria food service line for almost 30 years. She does not miss a smile going through the meal line and has welcomed three generations of students on the Goodman Campus.

Through the years, Winston's contributions as a nutritionist on the food service team have been invaluable to Carroll Cafeteria's success.

The college could not be more grateful for her time and service over the years. She loves all her "children" that she has fed over the years, but her customers are not just limited to students.

Winston has served state officials, governors and college presidents. Her delightful customer service is something the college will always be grateful for, for many years to come.

Winston resides in Goodman and has one child, Shed Winston, Jr. (46) who is a social worker for the U.S. Army. She also has two grandchildren, Julian and Josephine.

Holmes President Dr. Jim Haffey presents the Special Recognition Award to Azzie Winston.

Bulldog Football

The Holmes Community College Bulldogs finished the 2023 campaign on a winning note knocking off the Southwest Mississippi Community College Bears, 45-21, at home on Nov. 2. They finished the season 6-3 overall and 3-3 in their conference. Following the season, the Bulldogs placed 16 members on the All-MACCC North Division Team. Included in the list are five First Team players, six Second Team and five Honorable Mentions.

Offensively, the Bulldogs placed seven players on the list including: John Ford, freshman quarterback from Sumrall, Honorable Mention; Joe Moss, sophomore running back from Grenada, Second Team; Deion Smith, sophomore wide receiver from Jackson, First Team; Jahiem Shack, sophomore wide receiver from Grenada, Honorable Mention; Jarvis Rush, sophomore wide receiver from Louisville, Honorable Mention; Markel Bell, sophomore offensive lineman from Cleveland, First Team; Connor Foy, freshman offensive lineman from Pearl, Second Team and Calvin McMillian, freshman from Houston, Honorable Mention.

Defensively, the Bulldogs placed six players on the list including: Laquan Robinson, sophomore defensive back from Greenville, Ala., First Team; Christavious Savior, freshman defensive back from Louisville, Second Team; Jalon Townes, freshman linebacker from Grenada, Second Team; Zyonn Mayes, sophomore defensive back from Corinth, Honorable Mention; Comondre Cole, sophomore defensive lineman from Collinsville, First Team; Maxton Woodward, sophomore defensive lineman from Philadelphia, Second Team.

Holmes also had two specialists on the list including: Jalen Ballard, freshman kicker from Brandon on the First Team, and Ryan Wood, a sophomore punter from Grenada, on the Second Team.

Additionally, Smith and Bell were placed on the NJCAA All-Region 23 team following the season, and Smith was named a NJCAA DI Football All-American.

The newest coaches to join the Bulldogs football coaching staff were Vaiden native Alex Devine and C.J. Johnson of Philadelphia.

Devine joined as a defensive line assistant coach. He graduated from Winona High School where he was named All-District for football in 2009 and 2010. After Winona, he played offensive line for the Mississippi Delta Community College Trojans for two seasons. Upon graduation from Mississippi Delta, he transferred to Mississippi State University and received a bachelor's in sports studies. He began his coaching career at MSU, serving as a student assistant for three years under Dan Mullen.

In 2016, Devine became a graduate assistant at the University of Miami under Manny Diaz and moved his way up to assistant director of player development during the 2019-20 season before moving on to Utah State. He received a master's in liberal studies from Miami. After Miami, he worked at Utah State for two seasons. He was the defensive front specialist in 2021 and the defensive line coach in 2022.

Devine has won one conference championship so far. Utah State won the Mountain West Conference in 2021. He has coached in eight bowl games including: Utah State, 2021 LA Bowl; Miami, 2020 Cheez-It Bowl, 2019 Independence Bowl, 2018 Pinstripe Bowl, 2017 Orange Bowl and 2016 Russell Athletic Bowl; and Mississippi State, 2015 Belk Bowl and 2014 Orange Bowl.

Johnson joined the football staff as co-defensive coordinator and linebacker's coach. The former Ole Miss Rebel came to Holmes from Morton High School, where he served as assistant football coach. Prior to Morton, he was defensive coordinator at American Heritage (Delray), defensive line coach at Coffeyville Community College, defensive line coach at East Mississippi CC and served as a graduate assistant at East Mississippi and Florida Atlantic University. At East Mississippi, Johnson helped the Lions win one national title and two state championships. At

The staff includes (front row, left to right) QB Coach Chance Lortvich, Head Coach Marcus Wood, Co-Defensive Coordinator/Recruiting Coordinator/DB Coach Barney Farrar, (back row, left to right) Defensive Assistant/Assistant DL Coach Alex Devine, DL Coach/Strength and Conditioning Coordinator Barron Miller, Co-Defensive Coordinator/LB Coach C.J. Johnson, WR Coach Damion Willis and Assistant Head Coach/OL Coach Les George

FAU, he helped the team claim the Conference USA championship, as well.

Prior to beginning his coaching career in 2016 with his initial EMCC stint, Johnson was a five-year letterman (2011-15) at Ole Miss, where he helped lead former Head Coach Hugh Freeze's Rebels to four consecutive postseason bowl game appearances, including three bowl victories. As a three-year defensive starter for the Rebels, Johnson recorded 180 career total tackles, 27 stops behind the line of scrimmage, including 13.5 sacks, 11 quarterback hurries, three pass interceptions, four fumble recoveries and two forced fumbles.

As a sophomore starter at defensive end, Johnson was the Rebels' sixth-leading tackler with 55 stops on the year, including a team-high 6.5 sacks, on the way

to earning third-team All-SEC honors from College Sports Madness and

honorable mention All-America status by College Football News. After bouncing back from a medical redshirt season because of an injury, Johnson served as a game captain for 13 games as a junior when Ole Miss led the nation in scoring defense and topped the SEC in tackles for loss en route to playing in the Chick-fil-A Peach Bowl. Individually as a redshirt junior for the 9-4 Rebels, he ranked second on the team with four quarterback sacks and tied for third with eight tackles for loss.

Following a move to middle linebacker during spring practice of his senior year, Johnson was a preseason third-team All-SEC pick by Phil Steele and a member of the 2015 Butkus Award watch list. Despite missing some game action with a torn meniscus, Johnson battled through the injury to record 43 total tackles, two quarterback sacks, two pass interceptions and four quarterback hurries as a starting member of the Rebels' 10-3 squad that defeated Oklahoma State in the Sugar Bowl. Johnson earned his bachelor's in criminal justice from Ole Miss.

Bulldog Cheer

The Holmes cheerleaders had a busy year full of performances, ballgames, running a children's cheer camp, serving the community, leading on campus and more! One memorable moment for the Bulldogs was when they traveled to the game vs. Mississippi Delta Community College and stopped along the way to visit with/perform for the residents of Martha Coker in Yazoo City. The Martha Coker Homes provide a caring atmosphere for elders in need of skilled nursing care.

In addition to cheering on the Bulldogs through football and basketball season, the cheerleaders also performed at Meet the Bulldog events, Holmes pep rallies, district high school pep rallies and participated in a Christmas parade.

Around Christmastime, they also held a raffle to raise money

for the team, and winning participants ended up with some incredible prizes including cash, a painting, cornhole boards and a nice gift basket. The team orchestrated a few other raffle events and other fundraising efforts throughout the year, as well, to get ready for nationals.

In January, the squad competed at Universal Cheerleaders Association (UCA) College Nationals in Orlando and got to have some fun at Disney World as a team. They made it to the semi-finals in Open Small Coed and Game Day Open Coed during the competition.

Head Coach Heather Jones made sure her team not only gave their all in everything they did, but also learned leadership skills, kept their grades up and understood the importance of service.

Lady Bulldog Soccer

The Holmes Community College Lady Bulldogs had another impressive season. They finished the season, 19-3, and were named Co-Champions of the MACCC. The Lady Bulldogs traveled to Arizona in November for the NJCAA Division II National Tournament and won their first two pool games before falling to Jones College in the semifinals.

Following the season, the Lady Bulldogs placed seven players on the 2023 All-MACCC Team. Christina Guzman (freshman, midfielder, Florence), Brianna Lopez (sophomore, forward, Fort Smith, Ark.), K.K. Morris (freshman, midfielder, Brandon) and Kristen Phillips (freshman, forward,

Collinsville) were named to the first team.

Aiyanah Jones (freshman, defender, Oxford) and Tailynn Rimmel (sophomore, midfielder, Clinton) were named to the second team. Olivia Tribolet (freshman, forward, Madison) was named honorable mention.

Additionally, Holmes played host to the 2023 MACCC All-Star Soccer Games this season. Holmes was well represented in the game with Jaycelyn Russ, Brianna Lopez, Carmen Mason, Tailynn Rimmel and Jordan Bertschler representing the North women.

Bulldog Soccer

The Holmes men's soccer team finished the 2023 season 4-11 overall. The Bulldogs began the 2023 campaign with a 2-1 win over Andrew College.

The Bulldogs got on the scoreboard in the first half in the 10th minute when Hayes Adcock scored on an assist from Christopher Oviedo and Louie Richard.

Holmes led 1-0 at halftime. The Bulldogs improved to lead to 2-0 when Caleb Jones scored on an assist from Tyler Leach in the 70th minute. Andrew College scored their goal minutes later.

Toward the end of the season, the Bulldogs picked up a 3-1 MACCC win at home over the East Mississippi Community College Lions on Holmes' Sophomore Day.

The Bulldogs took 1-0 lead in the 30th minute off the match. The Bulldogs went up 2-0 in the 33rd on a penalty kick from Christopher Oviedo. Holmes led 2-0 at halftime.

Holmes increased the lead to 3-0 in the 80th minute when Josiah Arroyo scored on an assist from

Medina-Ramirez.

East Mississippi score in the 89th minute to end all scoring. John Smith played 90 minutes in goal and gave up one goal and had eight saves. The regular season ended in October with a loss to Jones College.

Following the season, Holmes played host to the 2023 MACCC All-Star Soccer Games. The college was well represented in the game with Caleb Jones, Mateo DeLeon, Tyler Leach and Gavin Parker representing the North men.

"We got off to a great start during the 2023 season but injuries for one of the key positions gave us some heavy setbacks during September and early October," Coach Matt Convertino said. "That being said, I will remember the 2023 team as one of my favorites because of the personalities with the squad. So many great human beings on the team. We wish our sophomores all the best in their future endeavors and hope they will always remember that 'There's No Place like Holmes.'"

Lady Bulldog Basketball

The Holmes Community College Women's Bulldog Basketball Team finished the season 15-12 overall, wrapping up the season with a win over Hinds Community College, 76-66.

"The 2023-2024 Holmes women's basketball team experienced a season of wins, losses, learning opportunities and multiple life lessons," said Head Women's Basketball Coach Bridget Goodnight. "Over the course of the year, the team became more aware of things beyond basketball and gained more understanding of what it means to be committed, loyal and responsible. Because of their time at Holmes, they are better prepared for living a life of significance."

The Lady Bulldogs returned one player from the 2022-23 team to this year's squad along with 12 newcomers. Darranya Wright, a 5'9 forward from Belzoni, is the only returner from last year's squad. Newcomers included: Khashya Richardson, 5'4, guard, Luverne; Jer'Mya

Branson, 5'2, guard, Germantown; Keeli Latham, 5'4, guard, Louisville; Savannah Hailey, sophomore, guard, Centreville; Trinity Lewis, 5'11, forward, Pine Forest; Bella Roberts, 5'9, guard/forward, Winona Christian; Gracie Corley, 5'6, guard, North Pontotoc; Amanda Walker, 5'11, forward/center, Provine; Deundria Stovall, 5'6, guard, Gentry; Katelyn Leavy, 5'8, guard, Grenada; Zi'A Shields, sophomore, guard, Newton; and Kelsey Federick, 6', forward/center, Grenada.

The Lady Bulldogs opened the 2023-24 season on Nov. 1, 2023, vs. Delgado Community College in New Orleans. Though they suffered a 73-71 season-opening loss, the Lady Bulldogs quickly turned that around, picking up a 71-59 win at home on Nov. 3 over the East Mississippi Community College Lady Lions. During that first game, Wright led the Lady Bulldogs with 26 points while Hailey had 12. Wright had 10 rebounds as well for her first double-double of the season.

Bulldog Basketball

The Men's Bulldog Basketball Team finished the season 21-8 overall.

This season, former Holmes Bulldog Marcus Washington of Clinton joined the staff as an assistant coach and Chicago native Charles Dismuke joined as a volunteer assistant coach.

Washington played for Coach Flanigan during the 2013-14 and 2014-15 seasons and help lead the Bulldogs to their first appearance in the NJCAA National Tournament in Hutchinson, Kansas. A last second bucket gave Hill College the win to keep the Bulldogs from their first appearance in the final four. Washington finished with 11 points in the quarterfinal game. As a sophomore, he averaged 10.1 points, 5.3 rebounds and 1.9 assists per game.

After Holmes, Washington transferred to University of Louisiana-Monroe and played two seasons there. As a sophomore, he averaged 8.5 points per game and 3.9 rebounds per game.

Prior to coming to Holmes, Washington coached at Clinton Christian for three seasons. He was the junior high and high school girls head coach and junior high and high school boys assistant coach. During this time, the boys won two state championships in MAIS 4A and the girls won one MAIS 4A championship. He also worked for Nissan and played semi-pro basketball in Los Mochis, New Mexico. He has a son, Marcus Washington, Jr., who is two.

Dismuke attended the University of Southern Mississippi while

joining the men's basketball program as a student assistant. While at USM, he helped the Golden Eagles finish in a two-way tie for second place in Conference-USA play with a record of 11-7.

In 2019, Dismuke transferred to Jackson State University as a student assistant for the men's basketball program until he was added to the team roster as a player between 2020-2022. In his second season, he and his team went 11-0 in conference play while also winning the SWAC Regular Season Championship. In all, while in Jackson for three seasons, Dismuke helped the Tigers to a SWAC conference play record of 31-16, along with non-conference wins over the University of Portland, University of Louisiana-Lafayette and Illinois State University.

In the Summer of 2022, he transferred to Ole Miss to join the men's basketball program as a preferred walk-on and student assistant. During his time in Oxford, the Rebels were able to clinch a late season berth to make it to the second round of the SEC Men's Basketball Conference Tournament. He is a University of Mississippi graduate and holds a bachelor's degree in business administration.

"The 2023-24 basketball season has been a challenging one due to unforeseen circumstances that have happened in my personal life," said Head Men's Basketball Coach Jason Flanigan. "I will always cherish and remember this team because these young men have helped me deal with adversity throughout the season. I truly could not have asked for a better group of guys to coach."

Lady Bulldog Softball

The yearbook went to publication before the Lady Bulldogs finished their season, but they were off to a strong start.

"As of now, on Feb. 27, 2024, our record is 12-6 and we are ranked #25 in the nation in the first regular season poll," Head Coach Trae Embry said. "We are really excited about this year's team and the possibilities that they could achieve. They have worked hard all year and look to keep having success both on and off the field. We start conference play on March 8!"

The Lady Bulldogs returned three players from the 2023 team and added 18 newcomers to this year's squad. Returning players included: Maicee Coleman, infielder, Kosciusko; Chesney Beckham, pitcher, Southaven and Camille Russell, infielder/outfielder, Flowood. Head Coach Trae Embry returned for his fourth season as head coach. Hayden Embry is in his first season as an assistant coach and Katie Mitchell is in her second season as a volunteer coach.

They opened the season on Jan. 30 at home vs. Baton Rouge, and the Lady Bulldogs split winning 9-0 and falling

2-0 in game two. Annie Sartin went six innings and gave up no runs on five hits with two strikeouts. Blair Walsh had three hits including a homerun while Abbie McGee and Lizzy Carpenter each had two hits with McGee adding a double.

In game two against Baton Rouge, Charlee Rose Tierce started the game and went five innings and gave up two runs on three hits with two strikeouts. Mollie Swilley pitched in the game.

Right before the yearbook went to publication, the Lady Bulldogs picked up two wins at home over Arkansas State University, 9-1 in five innings in game one and 13-6 in game two. Tierce went five innings and picked up the win. She gave up one run on six hits with five strikeouts. Walsh, McGee, Meg Glasgow and Brooke Mitchell each had two hits with Walsh and Coleman each adding a homerun.

In game two, Sartin went seven innings and gave up six runs on seven hits with seven strikeouts and four walks. Jadyn Miles led the Lady Bulldog with three hits while Walsh and McGee each had two hits with Walsh and McGee adding a homerun. Kayla Jennings had a grand slam in the game.

Bulldog Baseball

The yearbook went to publication before the Bulldogs Baseball Team finished their season, but they were off to a good start.

"We have a very young squad this year," said Head Bulldog Baseball Coach Scott DeLoach. "They have grown together and have really adjusted to the speed of the college game. We have started off the year playing well, against a very tough schedule. Our hope is that this group will continue to build on their early season success and it will continue over into conference play. We are blessed with some of the best facilities in the country and it has helped our recruiting and development tremendously."

The Bulldogs returned 10 players and welcomed 19 newcomers to this year's squad. Returning players included: Matthew Reed, infielder/pitcher, Madison; Brenden Skirtech, infielder/pitcher, Madison; Hunter Bethel, outfielder/pitcher, Walker, La.; Carter Smith, catcher/utility, Columbia; Cole Moudy, pitcher, Brandon; R.J. Merriman, pitcher, Grenada; John Paul Buckner, pitcher, Starkville; Will Carter, pitcher, Kosciusko; Adam Francisco, infielder/outfielder, Vicksburg and Ethan Wood, pitcher/infielder, Kosciusko. Head Coach Scott DeLoach returned for his fourth season as head coach, and J.T. Blair is in his fourth season as an assistant coach. The Bulldogs opened the 2024 campaign off on Feb. 3 with two wins

over Beville State CC, 10-5 and 7-1. In game one, Moudy got the start and went four innings and gave up two runs on four hits with six strikeouts picking up the win. Will Carter and Skirtech also pitched in the game. Reed and Hunter Azemar each had two hits with both having a double. Ethan Wood added a three-run homerun while Adam Francisco added a double.

In game two, Bethel got the start and went five innings and gave up one run on two hits with one strikeout and three walks. Holton Hartzog and Houston Wedgeworth pitched in the game. Walker Long had a three-run homerun while Jacob Lott added a triple.

Right before the yearbook went to press, the Bulldogs split two games at home, winning 12-6 over Hinds and falling 13-0 to Meridian. In game one, Moudy got the start and went the distance picking up the win. He gave up six runs on three hits with four strikeouts and five walks. Nicolas Schwing and Skirtech each had three hits with Schwing have a double and Skirtech adding a double. Walker Long had a homerun and Jackson Parker had a double.

In game two, Skirtech started the game and suffered the loss. Drew Newman and Jabari Farr also pitched in the game. Schwing and Adam Francisco had the only hits for the Bulldogs.

Bulldog Tennis

Head Tennis Coach Greg LeVert joined the Holmes Community College staff in the 2006-2007 season as the new Men's and Women's Tennis Coach. He replaced Andy Wood who is now the vice president of the Goodman Campus and the Director of Athletics.

LeVert retired from Kosciusko High School after spending 31 years teaching and coaching at Kosciusko, Neshoba Central, Columbia Academy, Choctaw County (Alabama) and Delta State University (Graduate Assistantship). He received a BSE and MEd from Delta State and his Specialist Certification from DSU, MSU and USM.

As a high school coach, his teams and players won State

Championships (track and tennis) and finished in the top eight in basketball and softball. He had players chosen for All-Star teams (tennis, softball and basketball), as well.

This year's Men's Bulldog Tennis Team included two returning players: Paul Gaines of Batesville and Mason Speed of Florence. New players included Trace Evans of Lake, Alexis Jones of Yazoo City, Jordan Leech of Winona, Jonah Lyons of New Hebron, Bradley McCoy of French Camp, Parker McLendon of Gluckstadt, Jonathan Mitchell of Batesville, Garrett Myers of Brandon, Tradarius Robinson of Columbus and Justice Worthy of Ridgeland.

Whether Holmes faculty, staff, administration and Board Members depart from Holmes because they are retiring or because their time on Earth is done, they will always have a special place in our hearts and minds.

Retiree Recognition

Linda Alexander-Jones is retiring from Holmes after 32 years. She began her career at Holmes as a student activities director in 1992; a position she held until 1997. From 1997-2008, she served as a transfer facilitator and worked in Student Support Services. In 2008, she was promoted to director of Student Support Services, the role she is in today. Prior to Holmes, Alexander-Jones served as a history instructor at Mississippi College and Clarke College. She is a member of the Mississippi Association of Educational Opportunity Programs and the Mississippi Counseling Association. She also serves as a teacher/prayer partner for her Sunday school class at Oakdale Baptist Church in Brandon. In her free time, Alexander-Jones enjoys going to flea markets, refinishing furniture and collecting owls and vintage jewelry. Upon retirement, she plans to spend time with her daughter, Amber Alexander Solano, and her granddaughter, Nora Solano (7), who live in Franklin, Tennessee. She also plans to get more involved in her church and volunteer at area nursing homes.

Rachel Bickerstaff is retiring from Holmes after 23 years of service as an educational programs instructor/advisor on the Ridgeland Campus. She holds a Master of Science from the University of Southern Mississippi and a Bachelor of Science from the University of Alabama. Bickerstaff began her teaching career in marketing management technology and fashion marketing technology, teaching in those areas from 1994 to 2000. During that time, she created a New York study tour for the fashion and marketing students. Bickerstaff served as president and vice president of the Mississippi Delta Epsilon Chi, received Teacher of the Year and Advisor of the Year in 1999-2000 and is an honorary lifetime member of Mississippi Delta Epsilon Chi. She was also an honoree of Lamplighter in 1997 and a recipient of the NISOD award in Austin, Texas. Before returning to Holmes, she taught as an adjunct instructor teaching customer service training, interview and resume training, and entrepreneurship. Bickerstaff is married to Elliott and took time off to be home with their son, Matthew. She returned as a full-time instructor in the Education Department and taught for 18 years upon returning. Bickerstaff is a member of the Mississippi Association of Developmental Educators, and has served as a political liaison, silent auction chairman and scholarship chairman. Additionally, she is a member of the Mississippi Faculty Staff Association of Community Colleges, and was president of the Holmes Faculty Association. She is an active member of Pear Orchard Presbyterian Church where she enjoys singing in the choir, as well. Her plans for retirement will be to travel and enjoy more time with family and friends.

"Holmes has been like a family," Bickerstaff said. "It has been my honor and privilege to inspire students to their full potential and to have a career at Holmes Community College."

Retiree Recognition

Dr. Don Burnham is retiring from Holmes after 21 years of service, with his most recent role as vice president of the Holmes Ridgeland Campus. He started as an economics and business law instructor, and moved his way up from there. Along the way, Dr. Burnham served as Evening Program Director for the Grenada Campus, Director of Recruiting and as Director of Admissions and Records. He holds a PhD in Higher Education as well as an MBA from The University of Mississippi. He also has two bachelor's degrees from Mississippi State University: one in wood science and technology, the other in business management. Prior to Holmes, Dr. Burnham worked in quality control and production management with Georgia Pacific Corporation in Oxford. He is active in the community as a member of Gideons International, Broadmoor Baptist Church, Madison Ridgeland Rotary Club, Madison County Business League and Foundation Education and Workforce Committee. He is also part of the Madison County Business League and Foundation Youth Leadership Committee and the Board of Directors for University of Mississippi Medical Center (UMMC) Center for Integrative Health. Dr. Burnham and his wife, Carol, have six children between them along with 15 grandchildren. In his free time, he enjoys gardening, reading, traveling and attending sporting events. Upon retirement, he and Carol plan to establish a home in Starkville, spend time with their grandchildren and travel – both in and out of the country. He would also like to garden and get more involved in his church, the Gideons International and to be active in local government.

Audra Love Dean is retiring from Holmes after 16 years with the college (1990-2004 and 2022-2024) and 34 years total in higher education. She is currently an instructor of accounting, economics and business administration online and on the Goodman Campus. In the past, Dean has served as Director of Distance Learning, Chair of the Business Administration Department, an instructor, cheerleading coach and women's tennis coach. She holds a Bachelor and Master of Accountancy from the University of Mississippi. Dean has also completed additional graduate studies in economics and higher education administration at Mississippi State University and Delta State University. Prior to returning to Holmes, she served as president of Antonelli College Online and worked for the Mississippi Community College Board (MCCB). At MCCB, she held the positions of Assistant Executive Director for eLearning & Instructional Technology, and Assistant Executive Director for Academic & Student Affairs. Dean has three children; Sidney Kimble (currently serves as the Director of Intramural Activities & the Fitness Center on the Goodman Campus), Clark Dean and Meredith Dean. All three are Holmes alums. In her free time, Dean enjoys home decorating, entertaining, crafting, painting and gardening. She is a member of First Baptist Church of Kosciusko, 21st Century Club and Fun & Flowers Garden Club. Additionally, she serves on the boards of the Attala Historical Society and the Commission for Proprietary Schools and College Registration. Dean's plans for retirement are to travel; work in her yard; entertain; take classes at Holmes, such as painting and New and Old Testament Survey, and operate a flea market booth selling antiques and home décor. "I have had an incredible 34-year journey in higher education, and I am extremely proud that the beginning and end of my professional career have been at Holmes Community College," Dean said. "I am filled with gratitude for the many years of learning, growth and camaraderie that I've experienced. The memories I've made and the relationships I've formed will never be forgotten. While I bid farewell to this chapter of my life, I look forward to the new adventures that retirement will bring. Thank you to everyone who has been a part of my journey."

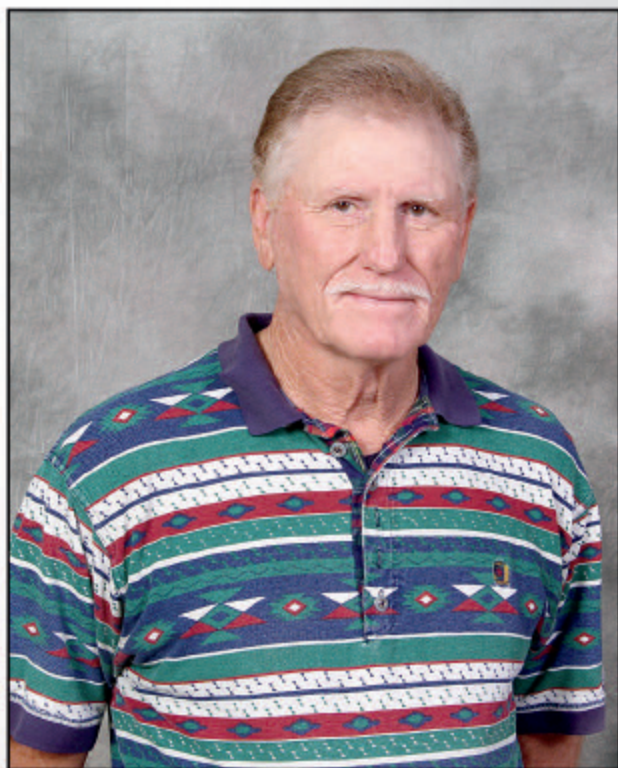

Retiree Recognition

David Hill is retiring from Holmes after 15 years of service on the Grenada Campus. He served as a welding instructor for the first four years and as an HVAC (heating, ventilation, and air conditioning) instructor for the last 11. Hill has also owned a heating and cooling business, Hill's Heating and Air, LLC, in Bruce for the past 18 years. Additionally, he serves as chief of Banner Fire Department. Prior to employment with Holmes, Hill was a truck driver for 21 years. He has been married to his wife, Donna, for 38 years, and they have two children. Their daughter, Stephanie Hill Bailey, is married to Andy, and their son, Nathan Hill, is married to Jessi. Hill has three grandchildren: Vallie, Piper and Porter. In his free time, Hill enjoys hunting, fishing and camping. Upon retirement, he plans to relax, enjoy his grandchildren and run his business.

"I have enjoyed working here at Holmes Community College," Hill said. "When I came here, I was the young guy but now I'm the old guy. I have made many dear friends and will miss being here. I have enjoyed all the students I've taught over the years and still have contact with many of them. But I really look forward to retirement and spending time with family. Holmes has been good to me and my family, a great place to work. Thanks for the opportunity that I have had to work here."

Joe McDaniel is retiring from Holmes after 25 years with the college. He came to Holmes as a builder, with the chapel and the president's home being some of his first projects, and he is retiring as a construction supervisor and project manager. Holmes has truly been a family affair for the McDaniels. His late wife, Margie, was a dorm hostess in Grenada; his son, Tony McDaniel, was police chief in Goodman and his daughter-in-law, Casey McDaniel, works in admissions in Goodman. In addition to his son, McDaniel also has a daughter, Tammy; three granddaughters - Alecia, Miranda and Makayla - and one great-granddaughter, Averi. In his free time, he enjoys watching the girls play softball; a sport he played himself on a tournament team for 28 years. He also enjoys watching football, hunting and fishing. McDaniel is a member of Salem Baptist Church, as well.

"Holmes has been a godsend for me and my family," McDaniel said. "It's really been a pleasure working here. The people are great, and I get to work with people on all of Holmes' campuses and at the college's satellite locations. I've really enjoyed it and it truly has been a blessing for me and my family."

Retiree Recognition

Randy Hutchison is retiring from the Goodman Campus of Holmes after 18 years with the college. He first worked in construction at Holmes before moving into the maintenance department (though he still worked on some construction projects). Hutchison has two children: Brad Hutchison and Robyn Hutchison. In his spare time he enjoys fishing, hunting and camping, and plans to enjoy more of all three during retirement.

"I was blessed to have this job here at Holmes and it has been a great place to work," Hutchison said. "I've enjoyed it here and it's a great job; it's just time for me to go."

Ginger Meriwether retired from Holmes after 18 years of service to the college. Meriwether served as an Associate Degree Nursing (ADN) instructor before her promotion to Director of Health Science Programs. She holds a Master of Science in Nursing from Delta State University (2007), a Bachelor of Science in Nursing from Mississippi University for Women (2003) and an ADN degree from Holmes (1996). She also completed continuing hours at William Carey University. Prior to Holmes, Meriwether served as the Tallahatchie County Coroner for 19 years. She also served as a home health nurse for Grenada Lake Medical Center, as a school nurse for the Tallahatchie School District and as a surgical charge/ER nurse for North Sunflower Hospital. Meriwether has been married to her husband, Al, for 28 years. They have two children: Meredith (18) is a sophomore on the Holmes Grenada Campus, and Will (16) is a sophomore at Kirk Academy in Grenada. In her spare time, Meriwether loves gardening, canning her own produce, fishing, hunting, spending time outdoors, spending time with friends and family, riding in side by sides, cooking and trying new recipes to share with others. She is a member of Emmanuel Baptist Church, the Mississippi Nursing Association and the Kirkland Academy Booster Club.

"In retirement, I plan to enjoy time with family, travel and just enjoy my hobbies," Meriwether said. "I miss being a caretaker so I plan to work a little in the ER at Tallahatchie General Hospital."

Retiree Recognition

Nancy Parkerson is retiring from Holmes after 16 years of service. She began her career at Holmes as a mathematics instructor on the Grenada Campus, and in 2017 became the eLearning Coordinator. Parkerson holds a Master of Science in Mathematics Education from The University of Southern Mississippi and a Bachelor of Science in Mathematics Education from Mississippi State University. Before coming to Holmes, she was a high school mathematics teacher in Arkansas, Las Vegas, Jackson, Vicksburg and Quitman. She has also served as an adjunct mathematics instructor for Hinds Community College and Jones College. Parkerson and her husband, Charlie, have a son, Ryan; a daughter-in-law, Alaina, and a grandson, Jaxon. In her free time, she enjoys spending time with her family and playing tennis. She is also an active member of First Baptist Church Winona. Upon retirement, Parkerson plans to play tennis, play with her grandson and travel with her husband.

Officer Willie Roby is retiring from Holmes after 16 years of service with the Goodman Campus Police Department. A graduate of McAdams High School, he was elected as a Constable with Attala County in 1999, and is retiring from the Attala County Sherriff's Office with 24 years as a Constable. Roby and his wife, Nina, have three children: Kristina, Kristen and Kristopher, and one grandchild, Kaysen. They reside in Durant and attend Hopewell Missionary Baptist Church.

"Upon retirement, I'm going to relax a little while and do some fishing," Roby said.

Retiree Recognition

Officer Willie Roby (third from the left) was the first to retire this school year, and celebrated with a party on the Goodman Campus in December. Other Holmes cops came by to wish him well.

Retiree David Hill, alongside other Career and Technical Education instructors, shows the students at J.Z. George High School what Holmes has to offer.

Ridgeland Campus Vice President (and retiree) Dr. Don Burnham is recognized for 20 years of service with the college by Holmes President Dr. Jim Haffey during Opening Convocation.

Per usual, retiree Linda Alexander-Jones has a great time and goes all out for Homecoming Spirit Week.

Retiree Rachel Bickerstaff (right) checks out the Culinary Arts students' spread during the Meet and Greet activity she organizes with her Job Skills course each semester.

Grenada Campus faculty and staff pose for a photo in their Holmes gear with retiree Ginger Meriwether (center, second row).

(second from left) Retiree Nancy Parkerson gets groovy with other Goodman staff during Homecoming Spirit Week.

In Memory of **Willie B. Davis**

Willie B. Davis passed away on Oct. 10, 2023. The service for him was held on Oct. 28 at Holmes in Frank Branch Coliseum. Davis was born on Aug. 22, 1943, in Lexington, to Annie Katherine Bankhead and Rance Davis. His loving wife, Dr. Martha Williams Davis, preceded him in death (January 2008), as did his mother. He was the oldest of seven siblings, and his sister, Catherine Davis Johnson, and brother, Alfred Lee Bankhead, preceded him in death, as well. He was a faithful member of Piney Springs M.B. Church.

Davis' pathway to education began during his freshman year at Saints Junior College when he met Hazel Smith. After cutting her yard, she asked him if he wanted a job working for her newspaper, The Lexington Advertiser. He accepted, and continued working there through college. Upon graduation, he secured a position at Lexington Attendance Center. He supported his younger siblings and grandmother during this time, as well, while he worked and continued his education.

Davis attended Mississippi Valley State University, Jackson State University and the University of Illinois Math Institute. Davis' degrees were in chemistry, physics, general science, middle school administration and high school administration. A few more of his accomplishments and career highlights include:

working as a school janitor while in high school, playing high school basketball, coaching high school basketball and track, serving as an assistant football coach while teaching several science courses, earning a master's, working at the Lexington Advertiser for 20 years and working in the Holmes County School District for 30 years. Outside of work, he enjoyed fishing, hunting and playing checkers with his special friend "Lil Willie" (who called Davis "Big Willie").

Davis served as a member of the Holmes Board of Trustees for 8.5 years. He leaves behind a daughter, Stellanda Davis Cornelius (Marvin) of Lexington; a son, Reginald Boyland (Patricia) of Memphis, TN; a grandson, Messiah Davis Cornelius of Lexington; five sisters: Virginia Hodges, Dorothy Ann Burnside, Claudine Hill (James) and Linda Faye Jones (Johnny), all of Lexington, and Sammie Lynette Woods (Jeffrey) of Kosciusko. He also leaves behind a brother, James Bankhead (Valarie) of Lexington; an aunt, Carrie Hodges of Chicago, Ill.; a niece, Catherine Ann Davis (John Hoyer) of Lexington; nephews: Wallandus Travis of Lexington and Adrian Benson of Canton; nieces, nephews, great nieces and great nephews; a special friend, Catherine Robinson, and a god-daughter, Monica Robinson.

Earline Russell-Smith, Holmes' District Director of Adult Basic Education/GED and a former student of Davis', said the following words about him: "I pay tribute to a true legend in our community, a man whose impact extended far beyond the walls of McClain High School. Coach Davis, a gentle giant with a heart of gold, left an indelible mark on the lives of countless students and athletes. Coach Davis wasn't just a coach; he was a mentor, a guide and a source of inspiration for all who had the privilege of knowing him. His dedication to his students and players was unwavering. He instilled values of perseverance, discipline and teamwork, teaching his students and players that success in life was not just about winning games but about being compassionate, responsible and respectful individuals. Coach Willie B. Davis, your memory lives on in the lives you've touched and the lessons you've imparted."

In Memory of **Doris Ann Hood Belk**

Doris Ann Hood Belk, 86, president and owner of Mitchell Metal Products, passed away on Wednesday, Nov. 1, 2023, at Mississippi Baptist Medical Center in Jackson. Visitation and the funeral service were held Nov. 4 at Jordan Funeral Home with burial at Parkway Cemetery. Rev. Barry Corbett and Rev. Luke Gardner officiated.

Belk was born in Greenville on Feb. 26, 1937. She was a member of Kosciusko First Baptist Church where she served on various committees. She was a member of Mississippi Manufacturer's Association, Air Distribution Institute and National Association of Manufacturers. Belk was a member of the Holmes Community College Board of Trustees for 15 years and was currently serving as secretary of the board. She was also a member of the Holmes Foundation Board, and had been recognized as Holmes' Alumna of the Year in 2021.

Belk was a lifetime member of Kosciusko Junior Auxiliary, a long-time member of Fun and Flowers Garden Club, a member of Daughters of the American Revolution and a member of Attala County Historical Society, as well. Belk enjoyed flower gardening, traveling and painting. Her artwork is showcased in many homes and businesses throughout Mississippi.

Belk is survived by her daughters Julie Taylor (Gerry) and Jennifer Cheek of Kosciusko; grandchildren Anna Middleton (Adam), Austin Taylor (Mary Claire), Jessica Cheek, Victoria Valerio (Eduardo), and Madison Cheek; great-grandchildren Thomas Middleton, Tate Taylor, Luke Middleton, Wells Taylor, Hank Taylor, Vittoriana Valerio, Josephine Camp, Dylan Valerio, Mary Austin Middleton, Zack Valerio and Isabella Valerio.

She was preceded in death by her parents Mr. and Mrs. Arnold Hood, and her husband of 52 years, Dewitte Belk. Serving as pallbearers were Austin Taylor, Madison Cheek, Adam Middleton, Frank Stone, Jeff Belk and Tommy Dew. Serving as honorary pallbearers were her Supper Club friends, Cliff Stone and Mitchell Metal Products Employees. Memorials may be made to Kosciusko First Baptist Church 210 North Huntington Street, Kosciusko, Mississippi 39090 and Holmes Community College Development Foundation P.O. Box 367, Goodman, Mississippi 39079.

"Our Mom's love for Holmes Community College and the people there continued long after her college days," said Belk's daughters, Julie Taylor and Jennifer Cheek. "She truly enjoyed donating her time in the field of education. Holmes Community College was important to her because of the opportunity it afforded students not only in Attala County, but also in the surrounding area."

In Memory of **Norman Clark Faulkner**

Holmes Community College Grenada Campus welding instructor Norman Clark Faulkner passed away Sunday, July 23, 2023, at his home in Holcomb. Faulkner loved pouring his passion into his students at Holmes. Born Jan. 15, 1964, in Memphis, Tennessee to James and Emilie Faulkner, he was 59 years old at the time of his death. He loved the Lord and attended Hillside Baptist Church.

In his spare time, Faulkner enjoyed singing, blacksmithing, working on old trucks and tractors, collecting antiques and spending time with his grandchildren. Funeral services were held on Thursday, July 27 at McKibben and Guinn Funeral Service in Grenada with Rev. Jerry McNeer officiating. Interment followed in the Sparta Cemetery near Holcomb. Survivors include daughter Amy Land (Colby) of Duck Hill, an English instructor at Holmes; son Adam Faulkner (Kelsey) of Duck Hill; five grandchildren: Brody, Brantlee, Mady Kate, John Hayes and Nora Kathryn; brothers Jimmy of Courtland, Greg (Julia) of Courtland,

Keith (Teresa) of Como, Wade (Samantha) of Courtland, one sister Melody of Batesville, and a host of nieces and nephews. He was preceded in death by his wife, Barbara Henry Faulkner, his parents James and Emilie Faulkner, and brother, Timothy Faulkner.

"Clark Faulkner was a master tradesman with the extraordinary ability to transfer his knowledge and skills to his students," said Holmes Workforce Development Coordinator Slade Redwine. "His sense of humor and knack for storytelling held the attention of fellow faculty, staff and students alike. He was never shy about sharing his faith and life experiences to help those around him. He was a great friend."

The Pall Bearers were Redwine, Craig Kirkendall, David Hill, Cody Lancaster, J.B. McDonald and Nick Watkins. Honorary Pall Bearers included Austin Fagan, Vance Smith, Barry McDonald, Dusty Rainey, David Burt and John Douglas Staten.

"It's still hard to believe that Clark is gone; over the 10 years we taught together, he became a dear friend," said Holmes HVAC instructor David Hill. "The welding shop seems empty without his laughter and funny jokes. We got to spend a lot of days together guiding hunts for Hope Outdoors which brought him great joy seeing a child kill their first deer. I feel so blessed to have called him

my friend, and I am forever grateful for the time we spent together here at Holmes."

In lieu of flowers, the family requested that donations be made to the Clark Faulkner Memorial Scholarship Fund through the Holmes Development Foundation to provide funds for a Career Technical student to gain an education. Checks may be mailed to HCC-Dev Foundation Attn. Clark Faulkner Memorial Scholarship, PO Box 527, Goodman, MS 39079 or online through the Holmes Developmental Foundation.

"My dad always believed in the power of education," said Amy Land, Faulkner's daughter and an English instructor at Holmes. "He believed that we never had to stop at the place society predicted us be and that education was the way to break cycles for individuals and families. Not being afforded the opportunity to complete a degree post high school, he worked over the years as he could to take classes around working and supporting his family. He worked so hard to teach his students that they are responsible for their own growth, and despite the situation they arise from, they too can go beyond where society expects them to land. He not only believed in what he did, but he believed in those for whom he did it - his students. He believed in students who never believed in themselves until they too understood that they held their own power to succeed. He instilled that same love and passion for education and people in me, and I pray that I can touch the lives that he has touched through his journey here at Holmes."

The father-daughter pair enjoyed working together on the Holmes Grenada Campus!

Faulkner marched as a student, and Land walked as an instructor. "It will forever be one of my favorite days with him!" Land said.

On May 13, 2011, Clark Faulkner and his daughter, Amy Land, both marched in Holmes' commencement ceremony.

The 2024 edition and 95th volume of Horizons is a publication of the Holmes Community College Communications Department and students on the Horizons yearbook staff. The Holmes Marketing Department contributes to the book, as well.

Jostens, founded in 1897, is the publisher of Horizons. Jostens is an American manufacturer of memorabilia primarily known for its production of yearbooks and class rings for high schools and colleges as well as championship rings for sports. Without their help, we would not be able to provide you with a quality publication each year.

N'Focus Photography took the faculty, staff and student headshots. This is a very important part of the book, and we are thankful for them. We would also like to show our appreciation to the Holmes Board of Trustees for allowing us the opportunity to produce this yearbook on behalf of the college.
